The Atlantis 42 is the very essence of open boat..!

The elegance, excitement and refinement are present here in just the right blend.

The striking design of the Atlantis 42 promises great interpretations of life at sea and keeps all its promises once you climb aboard, with outstanding liveability that puts this yacht at the top of its class.

And just like its grit is seen in the design, its strength is felt at the helm.

Superb temperament and performances and seaworthiness you can count on in every condition.

The Atlantis 42 opens up a world of great excitement, ready to be conquered.

The cockpit has two living areas. In the middle is a six-seat sofa with a large oval table, while aft is a sun pad that covers the space used as a garage for the tender. Design acquiesces to desire and the seat back that marks the boundary between the sofa and the sun pad can be lowered to unite the two areas and create a single large solarium on the sea.

Below deck, sober elegance and refined materials provide the perfect welcome. The luxurious sofa, the wood and glass table, the elaborately worked cherry wood: a demonstration that little details can make a big difference.

A single glance is sufficient to grasp the promise of this master cabin: pure relaxation.

The bathroom, featuring a glass sink and a separate shower stall, is a masterpiece of style and ergonomics.

In the stern, a cabin with two single beds offers a comfortable and useful space. A second head for guests rivals the master bath for its style and materials.

2005 Atlantis 42

2 x Volvo D6 310hp EDC (approx 170 hrs)
