2007 Elan 344

Volvo D2 30hp

The Impression 344, the third in Elan's Cruising range is absolutely sensational, offering a host of features that will be greatly valued by cruising families, friends and couples.

The boat is distinctive in design, style and comfort, with more than 25% bigger volume compared to the boats of its size. The spacious cabins, head and shower are absolutely first – class, with stunning accommodations and plenty of storage. The semi-deck saloon offers supreme comfort with flowing space, a welcoming ambience, panoramic windows and its lightwood interior. The comfortable cockpit leads to a large swimming platform for days of relaxation, entertaining and pleasurable cruising.

Exceptional seaworthiness in its class, well thought-out design, volume distribution and layout of deck and hardware all contribute to easy handling without compromising boat performance. Its design pedigree is the best testament to its serious, fast bluewater cruising.
