EXAMPLE SPECIFICATION FOR NEW 2020 SEALINE F530

** PART EXCHANGE AVAILABLE **

Sealines flagship delivers more than the largest flybridge to be found on a 53 foot motoryacht. No less than three open-air seating areas make you feel like you are onboard a 60 footer or even larger boat. Breathtaking panoramic views, a powerful hull design and an unmatched amount of natural light inside – all these elements place the F530 at the top of its category. It is fully equipped to enjoy the elevated position to the full. Seating for up to ten, wet bar, sound system, sunpads - everything is right at your hand to serve any need. The foredeck offers another location to socialise or relax with the cosy dinette for entertaining at any time of the day or converted to a sunbathing area which can be protected by a large bimini. After the sun has set, smartly intergrated pop-up lights add an idyllic note to the evening ambience

On buying this Sealine F530 through TBS Boats Hamble, discounted first year berthing deals are available (T&C's apply) Please contact Chris on - [Click here to reveal phone number](#) - 📞 for further information

Please note, all photos are of a sistership
