● Marine Clothing

A sport inspired deck shoe from Henri Lloyd. Classic 2-eyelet design with a sport shoe twist featuring a dual compound sole for increased grip whilst on deck.

The Valencia is designed to be extremely fast drying to keep your feet warm and dry when it matters. Each shoe features a hand-sewn upper made of marine standard nubuck leather that is waterproof. This with the EVA footbed, that has a super low absorbency rating and the removable textile insock, drying time is dramatically reduced.

Available in of Navy, Brown Nubuck or Classic Brown (with a more shiny finish) all being at home either on deck or on land.

Features:

- Upper is constructed from waterproof nubuck
- Razor-cut pattern and water dispersal channels on sole ensures high levels of traction
- Mesh inserts reduce internal moisture build-up and extra water resistance
- Handsewn construction for strength and longevity
- Rustproof eyelets and non-rotting salt resistant laces
- EVA textile insock that is removable for quick drying
