• Rib Tenders • United Kingdom • Lymington • 5 m/16 ft

Based on the acclaimed hull of the Ocean Master (OM) range, the DL series introduces a more elaborated transom with integrated rear seat and engine well. This new setup offers a vast storage and higher level of comfort for family cruising. Built to last, the series is designed with tough conditions in mind.

With the impermeable qualities of our aluminium hulls there's no need to worry about gelcoat chips, or putting the boat on a beach or a trailer. Your Highfield won't delaminate over time, retaining its agile performance and weighing the same in 10 years as the day you towed it away from the dealers showroom.

The hull of the Deluxe 500 is built of 3mm thick powder coated marine grade aluminium. The tubes are made of 1100 dtex coated fabric.

Boat Only - £16'499
