● Cabin Cruisers ● United Kingdom ● Dorset ● 1983

This Fjord 30 model is the one with all the advantages of a much larger cruiser but in a much more manageable and economical package of a thirty footer. She has a flybridge, excellent roomy accommodation, and is fitted with twin Volvo diesels on stern drives. She comes well equipped by her owner, with an extensive inventory, and has just undergone a full survey. Early viewing is recommended as this great value package will soon be sold.
