TOHATSU 20HP 4-STROKE OUTBOARD

CHEAPEST IN UK!! UNBEATABLE PRICES IN STOCK FOR NEXT DAY DELIVERY ##
WE ARE THE LARGEST TOHATSU RETAILER IN THE UK AND WILL BEAT ANY GENUINE QUOTE *

BRAND NEW MODEL - MFS20E S

Introducing the new Tohatsu MFS20E EFI with battery - less Electronic Fuel Injection meaning that you can enjoy the economy & performance of fuel injection on both manual start & electric start models.

Short shaft
Tiller control
Manual start
12 Litre External Fuel Tank & Fuel Line
Forward, Neutral & Reverse Gears
Weighing just 43kg

This completely redesigned engine has had all unnecessary alloys removed whilst maintaining durability. Components such as the crankshaft, pistons, prop shaft and up to 240 other items have been newly designed reducing the weight by 10kg's compared to the previous carburettor model resulting in the weight of the lightest version being just 43kg's (This Model the MFS20E S.)

We can supply a 24 Litre Quicksilver Fuel Tank & Line instead of the 12 Litre Tank Included FREE OF CHARGE
