Rob Perry Marine are a premier Highfield dealer with full rigging facilities and fast access to UK stock.

We currently have available units that are currently unriggered so engine choice, seating arrangement can still be made.

The advertised price includes A-frame with navigation lighting, Bilge pump, battery, Rigging, Console and either two jockey style seats or a bolster seat.

Engine choices are very much dependant on use but typically for the 660 this would be a 150Hp Honda with electric start and power trim and this is reflected in the advertised price.

We can also supply trailers and electronics and are happy to discuss special requirements!

The Patrol is a commercial quality range of RIBS designed and hand built to withstand the toughest conditions.

The hull is built in 5mm 5083 aluminium plates with 6 and 10mm stringers. With their super deep V,

wide chines and large diameter tube, they offer high manoeuvrability, high safety and a soft dry ride even in the roughest conditions.

The Patrol boats can carry large loads and plane quickly and easily with little horsepower.
