With the lifting keel, the Southerly is great under sail and equally good at slipping into shallow anchorages where the fixed keels can not venture. An interesting yacht from a motivated vendor.

Description

Southerly 100 built by Southerly in England in 1986 Dutch flag GRP hull and deck Teak strips on cockpit seats Fin keel with lifting centerboard giving draft between 0.55m and 1.75m Wheel steering - two stations
