The compact size, large carrying handle and built-in fuel tank all enhance its portability – and start-up is easy with Yamaha's CDI Ignition System. Low fuel consumption, simple controls and low noise and vibration levels, along with Yamaha reliability, come as standard.

So for families to get on the water easily - or for a yacht owner wanting a handy auxiliary - the F4 offers the smartest solution

- Auto decompression for easier starting
- Convenient auxiliary priming pump in the cowling
- Lightweight and portable with a large carry handle
- Large F-N-R (Forward-Neutral-Reverse) shift lever
- 2-way change-over system for portable tank option
- Shallow Water Drive for cruising close inshore
- 180° steering for comfortable manoeuvring
- Built-in 1.1L fuel tank
- Stylish design with a smart grey top cowling
- Latest-generation Yamaha styling and graphics
- Unique 3-position oil-leak-free storage system

■Lighting coil option offers 12V 6A power supply
