NEW Yamaha F15CMH Four Stroke Outboard Engine

Long Shaft, Tiller Control, Pull Start, Manual Tilt

CONTACT FOR BEST PRICE

This versatile, twin-cylinder 4-stroke combines power and responsiveness - and delivers a super-smooth ride. Outstanding fuel economy also means that you're being kinder to the environment, with exhaust emissions cut to a minimum.

Enjoy too, the many extras that only a Yamaha outboard delivers. Benefits like computer-controlled ignition, a special light-load starting system, a water-cooled fuel pump, and a large-volume silencer – all normally only found on larger engines. For commercial, professional or leisure use, it adds up to a winning formula.

- Optimum power-to-weight ratio
- Light-load manual starter
- PrimeStart™ system for easy starting
- Shallow Water Drive for cruising close inshore
- Fresh Water Flushing system
- One-piece, solid top cowling
- High-output alternator
- Front-mounted shift lever for easy control
- Single-lever steering friction (Tiller model)

■ Convenient vertical & horizontal storage positions
