NEW Yamaha F115BET Four Stroke Outboard Engine

Long Shaft, Remote Control, Electric Start, Power Trim & Tilt

CONTACT FOR BEST PRICE

The innovative, lightweight design F115 lets you relax and enjoy your boat to the full – knowing you're powered by one of the cleanest, smoothest engines on the planet.

Not only is the engineering impressive - this is a 1.8 litre, 16 big-Valve, in-line 4-cyl DOHC 4-stroke - but it's blended with a host of electro/technical features to make life easier: Compatibility with our optional Digital Network System, Wide Range Power Trim & Tilt with Tilt angle limiter and Y-COP® remote security system (both optional) to name but a few.

The efficiency of our well proven EFI systems and other new combustion technologies ensure the utter dependability of this outstanding Yamaha engine.

- Variable Trolling RPM system - for relaxed boating
- 1,832cc 16-Big-Valve DOHC in-line 4 cyl 4-stroke
- Weighs only 174kg - class-leading power-to-weight
- 35A High Output alternator - extra starting power
- EFI - clean, efficient performance and reliability
- Shallow Water Drive for cruising close inshore
- TALON Series propeller - damps noise and vibration
- Latest-generation top cowling - sleek and compact

- Compatible with Yamaha Digital Network system
- Yamaha Customer Outboard Protection (Y-COP) option
- Single Ram PTT and optional Tilt Angle Limiter
- Counter-rotating propeller model available
