NEW Yamaha F175AET Four Stroke Outboard Engine

Extra Long Shaft, Remote Control, Electric Start, Power Trim & Tilt

CONTACT FOR BEST PRICE

For exceptional power and acceleration, this clean, quiet, smooth, EFI-equipped engine is pretty tough to beat. Add economy, reliability and all-round performance - and you have the perfect choice.

Yamaha's unique, fuel-efficient EFI system, micro-processor ECU, clean-burn technology and noise reduction systems are all designed to work seamlessly together, while the sophisticated diagnostic system shows engine and performance data via computer link, so maintenance is very quick - and simple.

- High output alternator (50A)
- Yamaha's famous EFI system for supreme efficiency
- Variable trolling RPM control function
- Compatible with Yamaha Digital Network system
- Shift Dampener System (SDS) for smooth shifting
- Optional Dual Battery Charging System
- Offset crankshaft and special balance shaft
- 2.8 litre 4-cylinder DOHC 16-valve engine
