The Sunsport ARIB 350 is the ideal performance sports boat and has a deep V hull with extending inflatable trim tabs/hull extensions to enhance performance and provide additional buoyancy for heavier motor options. This also gives an unrivalled ride and directional stability. The air floor features two inflation points and to complement this the tubes have three independent chambers. There is a deck strap for a fuel tank location. Standard equipment is rigid seat, oars, kitbag, repair kit, bellows, rubber handles on tubes, bow lifting handle and external lifelines plus a pressure gauge.
