01590 679588

● Small Boat Trailers ● United Kingdom ● 2.5 m

Suitable for small dinghies up to 12' or 3.80m in length.

It has a keel roller and two height adjustable side pads, making launching and recovery straight forward in any situation.

It can be reduced in size for easy storage.

The pneumatic wheels make it suitable for rough terrain.

Overall Max Length: 2500mm

Overall Min Length: 1400mm

Overall Width: 1400mm

Carrying capacity: 100kg
