- Rib Tenders
- United Kingdom
- Axminster
- 3.1 m/10 ft

Rob Perry Marine are a premier Highfield dealer with full rigging facilities and fast access to UK stock.

We currently have available units that are currently unriggered so engine choice, seating arrangement can still be made.

The advertised price includes Valmex® Mainstream plus PVC tube fabric, welded seams, flush mount non-return valves, high tensile chromated & powder coated aluminum hull, lockable bow locker (fit 12L fuel tank), removable seat, lifting points and towing eyes, tow bridle points, anti-slip deck, heavy duty rubbing strake, full length keel guard, tank strap kit, under seat bag, highfield dry bag, foot pump, oars & repair kit.

Engine choices are very much dependant on use but typically for the 310 this would be 15Hp Honda with recoil start and tiller which is reflected in the advertised price. We are happy to discuss any special requirements as well so please just ask.

FCT console option is available on this boat. Please see photos for an example. The optional FCT console allows forward steering control for increased comfort and greater ease of navigation. Please ask for more details.

Boat Only Weight\* 60 kg  
Recommended Power 15 hp  
Maximum Power 20 hp  
Engine Shaft S  
Design Category C

Extra level of comfort for this double deck hulled dinghy that will keep your feet dry. The high quality finish and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family.

The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities, the Classic range really does offer a tender for everyone. The hulls of the Classics are built of 2.5mm thick powder coated marine grade aluminium. The tubes are made of 1100 dtex coated fabric.

PVC boat only price £2,399
