Highfield Ocean Master 390 – PVC OM390 With Honda BF40 £16,529 inc

Rob Perry Marine are a premier Highfield dealer with full rigging facilities and fast access to UK stock.

We currently have available units that are currently unrigged so engine choice, seating arrangement can still be made.

The advertised price includes navigation lighting, Bilge pump, battery, Rigging, Console and either two jockey style seats or a bolster seat.

Engine choices are very much dependant on use but typically for the 390 this would be 40Hp Honda with power trim and tilt which is reflected in the advertised price.

We can also supply trailers and electronics and are happy to discuss special requirements!

Maximum Power 50 hp

Engine Shaft L
Fuel Tank 30L
Design Category C

Based on the acclaimed hull of the Ocean Master (OM) range, the Deluxe (DL) series introduces a more elaborated transom with integrated rear seat and engine well. This new setup offers a vast storage and higher level of comfort for family cruising. Built to last, the series is designed with tough conditions in mind. If you require the DL version please just let us know. We are happy to help with any specification changes.

With the impermeable qualities of our aluminium hulls there's no need to worry about gelcoat chips, or putting the boat on a beach or a trailer. Your Highfield won't delaminate over time, retaining its agile performance and weighing the same in 10 years as the day you towed it away from the dealers showroom.

The hull of the Ocean Master 390 is built of 3mm thick powder coated marine grade aluminium. The tubes are made of 1100 dtex coated fabric.

PVC boat only price £10,499

Hypalon boat only price £11,999

PVC With Honda BF40 price £16,529

Hypalon With Honda BF40 £18,029
