- Cabin Cruisers
- United Kingdom
- Poole
- 2019

The magnificent Focus Power 50 is truly worthy of its flagship status in the range. Its superior design, ultimate comfort and incredible spaciousness epitomise the Focus Power lifestyle.

Dynamic good looks with sleek curved lines combined with magnificent functionality take the already well-developed and highly successful Focus Power philosophy to the next level. Designed as a long-range sports cruiser, the Power 50 is the pinnacle of the Focus hardtop range. Its innovative tempered glass retractable roof incorporates joy of the conventional open yacht feeling within the luxurious comfort of the living space onboard – all that at only the touch of a button. Its large powered lifting bathing platform serves as a stylish and yet practical feature that improves access to the sea and allows a jet RIB or a personal watercraft to be easily launched and recovered. An optional hydraulic telescopic passarelle discretely hidden inside the walkway makes stern-to-berthing access a breeze. The deck saloon layout seamlessly connects the privacy and comfort of the interior with the exhilaration of outside living, offering plenty of dining, relaxing and sunbathing options.

On the lower deck, modern satin maple wood finish with walnut detailing creates a bright, relaxing ambience available in a two or three cabin layout. The forward stateroom features a king-size bed and ensuite toilet and separate shower compartments. The full beam mid cabin welcomes guests with en-suite bathroom and plenty of storage. Between these two luxurious cabins owners can choose a third cabin or a discrete lower dinette area creating a separate area to relax and entertain fitted with a flat panel television and high quality hifi. Focus Power 50 can accommodate guests in 2 or 3 cabins. The master and mid cabin have comfortable double beds and the optional third cabin has two single beds.

SPECIFICATION

Overall length: 14,63 m

Hull length: 13,88 m / 40,5 ft

Beam: 4,30 m / 12,8 ft
Dry weight: 18 t
Fuel capacity: 1800 l
Fresh water capacity: 400 l
Passengers: 10
Cabins: 2/3 + saloon
Berths (2 Cabin version): 4 +1
Berths (3 Cabin version): 6 +1

Design: Tony Castro
Declaration of Conformity: CE Design Category: B
IMCI certification
Engine: CUMMINS QSC 8,3-600 with ZEUS 3800 (2 X 600 HP)

STANDARD EQUIPMENT

Hard top with electric sliding glass sunroof
Moulded non-slip deck finish
Pulpit and cockpit rails
6 stainless steel cleats
Foredeck locker
Electric anchor windlass with capstan / deck controls (up / down)
Stainless steel bow roller with anchor stop
Open bow guardrail
Windlass handle
Anchor (Bruce – 21 kg with 50 m / 10 mm chain)
Stainless steel handrails around sun bed
3 deck hatches (openable)
8 openable portlights (hull)
Radar arch with stainless steel mast
Windscreen (glass front and sides)
Screen – wiper with spray nozzle (fresh water)
Stainless steel hardtop handrails
Electric horn
Navigation lights
Fuel filler (port and stbd)
Fresh water filler
Foldaway swimming ladder
Teak laid swimming platform
Shower (hot and cold water)
Stainless steel rubrail
Rope bins
Stainless steel dinghy holders (2)
Harbour ship-to-shore cable
Hydraulically lifting swimming platform
Helm
Engine controls
Hydraulic power steering
Steering wheel (adjustable)
Engine gauges (RPM with hour counter, Oil pressure, Coolant temperature, Volt meter, Power – trim indicator, Alarm lights, Fuel level)
Tridata – Depth / Speed / Trip display
Autopilot integrated within the ZEUS propulsion system
Waterproof switches
Compass
Fire extinguisher pull – lever (for engine room)
Cut-off fuel cocks
Driver's foldable step
Saloon
Full beam glass door
Teak in saloon
Dinette seating for up to 6 persons
Sun bed

Table

Storage compartments beneath seating and behind backrests

Saloon illumination – LED lights with dimmer

Stainless steel handrails

Seats (pilot and co-pilot)

Fire extinguisher

Cockpit

Teak steps for access to side deck

Teak in cockpit

Self draining cockpit

Seating

Table

Storage compartments beneath seating and behind backrests

Cockpit illumination

Storage for life raft

Saloon Galley

Sink (cover lid, hot/cold water)

Electric cooker, 230 V

Wet bar (hot and cold water, Kerrock work-top)

Microwave, 230 V

Refrigerator 12 V

Cupboard storage and drawers

Fire extinguisher

230 V power sockets

Saloon below deck (2 cabin version)

Sink (cover lid, hot/cold water)

Electric cooker, 230 V

Wet bar (hot and cold water, Kerrock work-top)

Microwave, 230 V

Refrigerator 12 V

Cupboard storage and drawers

Fire extinguisher

230 V power sockets

Analogue switch panel (water and waste water level display, cabin light indicators, etc.)

Ceiling spotlights

Refrigerator 130 l, 12 V

Portlight with wooden Venetian blind

Cupboard storage and drawers

Fire extinguisher

230 V power sockets

Forward Cabin

Double bed with foam mattress and chest of drawers

Wardrobe

Ceiling spotlights

Reading lights (2)

Mirror

Storage compartment under bed (3 drawers)

Portlights with curtains

Deck hatch (openable) with day blind and mosquito mesh

2 x skylight (fixed)

Carpet floor

Forward Cabin Head

Hanging cabinets with mirrors

Teak grating

Electric WC system

Toilet paper holder

Sink with hot / cold water

Kerrock surface

Portlight with curtain

Deck hatch (openable)

Towel ring

230V shaver socket

Ceiling lights
Shower head holder
Portlight with curtain
Automatic shower water discharge system
Portlight with curtain
Deck hatch (openable)
Towel ring
230 V shaver socket
Ceiling lights
STANDARD EQUIPMENT (cont)
VIP Stateroom
Double bed with foam mattress
Ceiling spotlights
Reading lights (2)
Under bed storage
Portlights with curtains
Hanging lockers
Wardrobe
Fire extinguisher
