● Marine Clothing

The performance deck shoe blends classic styling with excellent grip. The new design incorporates an antimicrobial lining to ensure they spend more time on your feet than on the window sill.

They also feature the Grip Deck outsole providing excellent traction and lateral stability.

Musto have managed to combine all these technical elements with classic deck shoe design. The result? A deck shoe that is at home on a racing deck and on shore day to day.

Features

- 100% leather uppers & leather lined
- Padded tongue & collar for snug fit & increased comfort
- GripDeck outsole for excellent traction & lateral stability
- Removable anatomically shaped cushioning footbed (to accelerate drying)
