ribsforsale.com are now showing this very smart Ballistic 650 Sport RIB fitted Evinrude ETEC 200 Drive-by-wire engine and sitting on a very good Extreme trailer. This is a fully loaded example that is absolutely ready to go!!

The Ballistic 650 Sport RIB is one of the most popular models in the range due to its sea going capabilities and its versatile layout. The Evinrude ETEC 200 engine will see her cruise effortlessly at 28 to 34 knots and also push her through 45 knots in the right conditions. The Drive-by-wire controls make her easy to helm which helps the control when doing water sports.

The layout of this Ballistic 650 RIB includes a "V" berth at the bow that transforms into a sun pad, a double console seat, two jockey seats and a triple rear bench seat at the stern. There is storage beneath all the seating which can accommodate all the things that you will need for a great day out on the water.

This Ballistic 650 wants for nothing when it comes to specification either as she has everything fitted. This includes a large Garmin GPS / Depth unit, an iCom VHF / DSC, a Fusion music system, a teak effect deck, dual batteries, dual bilge pumps, picnic table, full cover, console cover, high cleats, deck lights, driving lamps and transom steps.

We urge you to get in touch and arrange a time to come and look at this cracking boat. Call now on - [Click here to reveal phone number](#) -
