Super fresh Finnmaster T7-2017 for sale!

Only 37 hours!

(The boat launched April-18 for the first time)

In the rear of the cockpit there is an L-shaped sofa with room for at least 5 people. The cockpit table has two different legs. Short for sunbed and long for regular table. The entire floor area is covered with elegant teak included in the standard equipment. With a simple grip you lift the entire rear sofa and under this part there is a large compartment with room for the entire cover and its arches.

Pre-call with a double berth and a small sofa on port.

Smart light input along the sides and ceiling.

The T7 is simply the perfect meeting between modern top design and practical details. Fits the whole family!

You can comfortably sit 7 people around the table in the cockpit. The boat is approved for 10 people.

There is also a small sink with a tap in the cockpit.

The boat's winter storage indoors 2019/2020 is paid. The boat can be seen in the hall by arrangement.
