This Hanse 320, 'Summer Breeze' has been loved all her life. Two owners from new, current owner upgrading to larger boat. She has been kept in a very desirable condition. With an upgraded limited edition cruising pack she has options and quirks everywhere which makes her an eye catcher within the marina. Hanse are world renowned for their build quality and this is plain to see on 'Summer Breeze', a roomy and well equipped vessel more than suitable for a family. Highly recommend viewing.
