Kraken 11' TOURING

Designed to be the go to Touring board, easy to use paddle board for everyone. Less hassle more fun!

Our brand new 11' touring board offers a step up from the Kraken all rounder and has been designed for longer trips, carrying more gear and for taller riders. The boards sleek shape which cuts through the water cleanly, and the drawn-out nose section gives them more glide across the water.

The board comes with a tri fin system, with 2 durable fixed outer fins and a US centre fin.
