- 5.6 m/18 ft

One of the first 2020 stock boat to be arriving in the UK - The Corsiva 570 Classic is the first option in the classic boat range with an enclosed outboard engine. Neatly hidden away in the stern, the 570 gives the look of a much higher value boat without the expense. Her steering console is cleverly mounted onto the port side of the vessel, providing a generous seating area around a removable table. Rate to category C and capable of taking up to a 20hp she is ideal for both inland and inner coastal use, with her great storage she can be used for family days out with a picnic or a day's fishing. Seating capacity 5/6 NB Photographs not of actual boat but boat in build has matching colour scheme (oyster white hull and decks with dark blue canopies).
