Oooh la la! If you're looking for the perfect tender for South of France or other sunny climes, this G420 is absolutely ideal. With white Hypalon tubes and white hull with mocha/black SeaDek and taupe/graphite Silvertex upholstery this is one stylish RIB.

We have also included a wealth of additional extras to really set off the styling and functionality of this class-winning family RIB.

The GRAND G420 is quite simply an awesome family RIB. Her stylish good looks are matched only by outstanding performance making this one high specification 4.2m RIB. Powered by the superb Suzuki DF60 and resting on an SBS trailer, we have put together an unbeatable package. See below for all standard features.....and included extras which will make this RIB very hard to resist!

The GRAND G420 has a comprehensive inventory of standard equipment which contribute to making this a very safe, comfortable and agile RIB. In addition there is a 55l built in fuel tank and GRAND's iconic stainless steel bow rails.

This G420 is available at Harbour Marine now. Pictures and video of the actual RIB to follow shortly.

We also have a selection of other G420 RIBs in stock with different gel/tube/upholstery specifications. Please visit our website to see for yourself. We can also arrange video walkarounds and delivery throughout the UK.
