- 2017
- 4.27 m/14 ft

Perfect for a sailing clubs & schools The 430 PRO is the entry level model of the Professional Line range and is a favourite with sailing schools and clubs. The reinforced tubes and the rope handrail on the length of the RIB, makes it very resistant for a daily use. It's available in 3 different versions: without console for engines with tiller steering, with standard console or with a Jockey seat for engines with remote control box.
