This is a privately owned yacht with possibly the highest specification available. No expense was spared in equipping this boat. Apart from the deep lead keel, electric in-mast reefing, electric Genoa, electric winches, electric flush toilets there is an extensive list of extras (detailed below) that confirm this boat was designed and built to suit shorthanded sailing. It handles fantastically in all conditions. Currently located in the UK but sold with a berth in Vitoriosa, Grand Harbour, Malta. This really is the Mediterranean dream. Disclaimer
