### Layout

**CABIN** The interior of the Viking 300 offers accommodation for six with a minimum headroom of over 6' The cabin is laid out in a airy open plan design with a large circular seating area forward a spacious dinette with hull window giving great natural light to port with the galley opposite to starboard. The toilet room is fitted with a cassette flush toilet, shower and full vanity unit. Aft with good access and beneath the cockpit floor a generous double berth being 7' in length with an opening window to the cockpit and a large hull window to the exterior. Aft again a large storage locker for tender or other useful items. **COCKPIT** The cockpit features the helm to port with steering via a cable to the outboard, single lever engine controls and ancillary switches. A double helm seat with storage below is to port with further seating area aft in a U shape design giving space for a further six in comfort. The central aft seating is removable and this gives access to an opening transom door allowing easy boarding to the bathing platform and access ashore to port and starboard **EXTERIOR** The Viking 300 is fully hand moulded featuring a gel coat exterior strengthened by chopped strand matt. All exterior fittings are in stainless steel and the boat has side decks of approximately 10" in width, sturdy handrails are located on the cabin top and the bow is surrounded by a stainless steel pulpit. The cockpit screens are four section fixed which are fold able for navigation beneath the lowest of bridges. The cabin side windows are of a one piece section giving the maximum amount of light into the cabin. Hull windows are fitted to the port side giving additional light to the cabin. The transom is fitted with a moulded bathing platform which features an outboard pod and integral steps to the side decks **OPTIONS** The Viking 300 is the highest standard specification that Viking manufacture and above the Highline this includes, Heating,

lowlevel mood lighting to cockpit, Battery charger, voltmetre, USB socket to dash. This is above the already high spec including, Oven and grill, hot and cold water, shower and fold down sink,cassette flush toilet and antifouling. All craft built by Viking can be fitted with further options customising each boat to individual tastes including such items as bow thruster, sea toilet, Holding tank . A full list is available upon request. ENGINES All Viking models are outboard powered. As standard prices are quoted with Mariner outboard models
