Remarks :

2008 Lagoon 420 for sale. 3 cabin layout, fully equipped, less than 1000 engine hours. Viewings available through Network Yacht Brokers.

Accommodation :

Sail Area

Working Sail Area : 1054.00 sq ft **Manufacturer Provided Description**

Innovative, modern, easy to maneuver, cleverly designed, safe, fast, spacious, a boat for all the family to cruise in! The Lagoon 420 is offered with 2 propulsion systems: - standard 40 hp diesel engines with sail drive - hybrid: two electric motors, a generator, a bank of batteries. Under sail, the propellers are driven by the speed of the boat and recharge the batteries: this is called regeneration. An innovative system, ecological and quiet - a world exclusive on the Lagoon 420. **Additional**

Description

- Cockpit useable as outdoor salon, accessible via a stern walkway connecting both transoms
- Hard top bimini with integral lighting
- Self bailing cockpit with teak grate
- Helm station on starboard roof bulkhead including: motor throttle controls, motor control panels, steering compass, room for electronic instrument installation, leather covered steering wheel, double helm seat with cushions, access steps from cockpit with s/s handrail, 3 line storage compartments
- Steering system: cable steering, composite shaft rudders, emergency tiller

- U-shape seating area with generator & technical compartment
- Varnished wooden cockpit table interchangeable with salon coffee table
- 1 Aft cockpit seat locker
- 1 Port cockpit propane locker
- 1 Large storage area under steering station.
- 2 Cockpit storage shelves

Additional Description

Priority has been accorded to comfort when designing the interior of the Lagoon 420. The light oak Alpi woodwork and the laminated wenge floor give a modern and relaxing feel. Access into the saloon from the cockpit through a sliding glass door on the same level. The longitudinal galley opens directly on the cockpit, it is the most convivial and practical area, fully equipped with numerous lockers. The port hull of the 3 cabin owners' version is in fact a suite: large bed, sofa, numerous lockers and hanging lockers, washroom with separate shower. The layouts of the two hulls in the 4 cabin version are symmetrical: there is a central double bed in each cabin, a washroom with separate shower, large hull windows, lockers? **Additional Description**

- Backlit 12 V Electrical panel
- LCD display with: voltmeter, amp-meter, water level gauge, diesel level gauge, low level alarm for diesel and water tanks.
- 1 Generator start battery: 12V - 70 Amp

Additional Description

A new look, a longitudinal beam that can include a small bowsprit and the mooring gear, a rigid bimini, a tall rig, a gullwing shaped bridgedeck and an overlapping genoa. The deck is uncluttered so moving around is easy: wide sidedecks, flush deck hatches, plenty of lockers. The aft passerelle allows passage from one transom to the other without going back up in the cockpit. There are many ways to enjoy life on board the Lagoon 420: the cockpit with its large benchseats and a table is protected from the sun and the bad weather by a rigid bimini top with optional sides and back panels, the twin seats helm station was designed for sailing with a reduced crew. all the control lines can be handled by one person from the helm station, freeing the other living spaces for the

guests. The foredeck is exclusively dedicated to relaxation. **Construction**

- Polyester and vinylester FRP construction
- Foam core composite hulls - white gel coat
- Solid glass FRP under waterline
- Balsa core composite deck and bridge deck
- Solid or felt core composite interior FRP hull & roof liners
