Leopard 24m Fast Motor Yacht, built by Cantieri di Arno in Italy in 2003. Powered by twin 1500HP MTU engines driving KaMeWa water jet propulsors with Rolls Royce controls this is the ultimate Mediterranean Motor Yacht. Satin varnished Cherry interior gives her a timeless look inside while she retains her super-modern look from the exterior. Privately owned, lightly used and in impeccable condition. Please contact listing broker David Routledge at Ancasta Palma for further details and inspection arrangements.

Accommodation

SLEEPS UP TO SEVEN GUESTS IN THREE CABINS PLUS TWO CREW

Beautifully satin varnished American cherry interior providing a light and airy accommodation and the spacious saloon and office corner benefits from natural light from the large lateral windows.

The large fully air-conditioned upper salon with bar easily seats 12 guests for either relaxed or formal dining and offers a perfect protection from the weather with the hard top whilst the large windows and the expansive "moon roof" create a wonderful alfresco atmosphere and an excellent view.

The well equipped helm position has good fore and aft view and a joystick for optimal manoeuvring. Master cabin - Spacious owner suite in the bow with queen size bed and en-suite shower room and separate toilet.

Double guest cabin - Located to starboard with en-suite bathroom.

Twin guest cabin - To port with twin single beds and a Pullman berth and en-suite bathroom that also functions as day toilet.

Crew quarters & galley - Conveniently located aft of the lower salon adjacent to the functional galley and with walk-in access to the engine where the deck hatch can also be used as a second entrance for total privacy in the salon.

Twin berths with en-suite bathroom.

Aft deck - Large sunbathing area aft of the semi-enclosed cockpit with wide steps leading down to

the bathing platform with hot and cold shower and a large raising hatch that gives access to the tender stowage.
